

Excerpt from the Bylaws and Constitution of the
New York State Weights & Measures Association

Article IV Section 402. **President**

“The President shall preside at all meetings of the Association except as herein provided; enforce due observances of the Constitution and Bylaws; preside at special meetings of the Association and shall provide to the Secretary within 30 days of the annual conference a list of all appointees made at the conference or immediately thereafter, along with a list of any vacancies. He/she shall perform such other duties as may be required of him/her. He/she shall be an ex-officio member of any standing and all special committees”
